

## **PATRAM**

2023-06-11 - 2023-06-16 in Juan-les-pins, France

GNS is happy to attend the worldwide flagship event for packaging and transportation of radioactive materials. In eight presentations our experts will provide our expertise and experiences all around the GNS solutions for HLW and ILW.

We're looking forward to welcome you on our booth for detailed information on our products and services.
