

DECON

2021-11-16 - 2021-11-19

At the first DECON International Online Conference, Dr Linus Bettermann will provide information on "Reactor Core Unloading and Transport of Spent Fuel Elements to the Interim Storage Facility" and Jörg Viermann will give the presentation "The Squaring of the Circle - Packaging Germany's Nuclear Heritage".

We will be happy to assist you at our virtual exhibition stand via Live Chat!
