

# Confirmation on quality assurance according to nuclear standard KTA 1401

On behalf of the German nuclear power plant operators  
**PreussenElektra GmbH** as a partner of the VGB PowerTech e. V.  
working group "Assessment of Contractors" confirms

**GNS Gesellschaft für Nuklear-Service mbH**  
Frohnhauser Straße 67, 45127 Essen, Germany

valid for the sites

**Essen, Mülheim and Jülich (Germany)**

and the scope of supply and services

**Development, Manufacture and Sale of Containers and  
Equipment for the Transport and Storage of Radioactive  
Materials, including Service and Engineering Services;  
Treatment of other Radioactive Materials (Waste and  
Residual Materials) and Services in the Dismantling of  
Nuclear Facilities, including Development and Manufacture  
of Technical Equipment; Coating of Components, such as  
Cast Iron Containers with Ball-Graphite, with Metallic  
Coatings including Mechanical Processing of Coatings**

the qualification for system- and product related quality assurance.

The assessment was performed on 15 and 16 September 2025 by

**Dr.-Ing. Götz Berenbrock Ingenieurbüro**

based on the standard **KTA 1401** as well as on the assessment  
documents of the VGB PowerTech e. V. working group "Assessment of  
Contractors" in consideration of product related requirements.

Details of the assessment are given in the report **DGBI 2025/010**.

This confirmation is valid until **15 November 2028** provided that the  
conditions on which the assessment was based have not been changed.

Hanover, 25 November 2025
